NEW NEWS

THIS MESSAGE ORIGINALLY APPEARED IN THE APRIL 8TH TIMES:

Dear Students,

We hope you are adjusting to this new learning environment and some aspect of a routine this week. Please remember to be kind to yourself, as it will take some time to work through the newness of it all. There will be issues to work through, and questions with uncertain answers. When you do have questions or are in need of support, know that we are available by phone, email and through the various online platforms teachers have created. We have many resourceful people within our school who can be of considerable assistance, and we have access to many other people and services in the community.

Two reminders while we repeatedly reference “online learning”:

1. You are not expected to be on a screen at all times. Computers continue to be just one tool in the tool kit of teaching and learning. We should utilize it when it makes sense. Pen to paper, physical activity, reading a book, exploring the arts, service to others, and getting outside (where appropriate) remain valuable and encouraged endeavours.
2. Please consider the appropriateness of the time of day, and what day, you communicate with us and with your peers. At the best of times, an email world has created a common social behaviour of immediacy, that leaves many of us feeling always connected. This alone has created considerable stress in our communities and now, more than ever, we very much need to be mindful of self care and patience with others. From the feedback and conversations we have had with you this week, your collective spirit, flexibility and compassion is once again shining through.

In looking at the revised school calendar, here are some notable dates for the remainder of April/early May:

Date	Event
April 17	District Professional Development Day
April 20	Deadline: IB students IA's uploaded by teachers
April 27 - 30	Term 5 Report Cards distributed by mail and email
May 4	Summer Learning District Update*
May 5 - 22	Cancelled: IB Exams

PMSS students have already identified on their course selection sheets, and through our March course verification process, their intentions for summer learning. In May/June we again review courses for the year ahead with each student prior to summer vacation.

School level April events (ex. concerts, and parent teacher conferences) and field trips have been cancelled. At this time, refunds will be processed for only those students who paid for April field trips and other April events with costs associated.

April Valedictorian application timeline and Dinner/Dance seat selection are postponed.

May 1st PMSS Day: Grade 9 – 11 activities are currently postponed. Grade 12 Capstone (exit interviews format) are currently being revised. Revised Capstone requirements for CLC 12 (and CAS for IB12s) will be shared with students in the last week of April.

Reminder: The Locker Access for Essential Items form is available on our [website](#) under Quick Links.

MS. CARRUTHERS CLC CLASSES: All students need to upload all their assignments to Teams for the reporting period, even if previously posted on Onenote. All assignments up to the Capstone need to be submitted by April 20th. Please email me if your work experience was interrupted due to covid19 OR if you are in China and unable to upload your assignments. Assignments will not be accepted if emailed to me.

ONGOING NEWS

GR. 9 INQUIRY PROJECT: Gr. 9 students will no longer be asked to complete their Inquiry Projects. Due to our current remote learning environment and our desire to balance the expectations for students, we have decided to discontinue the Gr. 9 Inquiry Projects for this year. We know this may be disappointing for some, but feel this is best for the whole at this time.
