COQUITLAM VOLUNTEERING OPPORTUNITIES DURING COVID-19 - Coquitlam has been forced to suspend some volunteer programs, but there are still ways to make a difference during the COVID-19 pandemic. In some cases, procedures and requirements have temporarily changed to ensure physical distancing. For example, orientations may take place by phone or video chat. Check <https://www.coquitlam.ca/city-hall/career-and-volunteering/volunteer.aspx> for details and to contact program coordinators.

POST-SECONDARY INSTITUTION SELECTIONS FOR 2020 GRADUATES - The Ministry of Education distributes transcript information to post-secondary institutions (PSIs) following the selection of a PSI by a student in the StudentTranscripts Service. See details, below, about deadlines and information for students.

DETAILS:

Post-Secondary Selections

Grade 12 and adult students can view and order their transcripts to be sent to PSIs, prospective employers and themselves on the StudentTranscripts Service at: www.studenttranscripts.gov.bc.ca/. Students must create a Basic BCeID account to access their information. Students need only complete their PSI selections once in the current school year. Students should make their PSI selections by **May 1, 2020**, but if needed, may add to their selections at any time through July 10, 2020.

Distribution of Transcripts

PSIs receive student transcripts through a variety of methods including XML data transfer, electronic batch files and more. PSIs with the new XML data transfer capability* receive transcript information throughout the year. For PSIs on the electronic batch process, interim transcript information is sent by the Ministry in early May, and final year-end transcript information is distributed in late July. Unless the student needs to send their printed transcript now, the student should leave the default option to allow the PSI to accept transcript information as it becomes available.

XML Transcript Information

PSI Student Selection Deadline: **Any time year round**

- Student selects “*Send my transcript now and allow this Post Secondary Institution to request transcript updates until the date specified*” (the default), and transcript information is then available to the PSI throughout the year
- The PSI immediately receives interim transcript delivery and several PSIs* are able to request updates to interim marks and final marks as required
- PSIs will then have 12 months after authorization to request updated transcripts
- (Note: If the student selects “*Send my printed transcript electronically now,*” the PSI will not be able to receive updates to transcript information made through the year)

*Currently available for students selecting the University of British Columbia, Simon Fraser University, University of the Fraser Valley, Vancouver Island University, Thompson River University, Kwantlen Polytechnic University, College of the Rockies, Coast Mountain College, Camosun College, College of New Caledonia, Emily Carr University of Art + Design, Nicola Valley Institute of Technology, North Island College, Justice Institute of British Columbia and Northern Lights College.

Batch Process Transcript Information

PSI Selection Deadline - **Interim Mark Inclusion: May 1, 2020**

- Student selects “*Send Interim and Final Marks when they become available*” (the default)
- Ministry then sends Interim batch Transcript information to participating B.C. PSIs, University of Alberta, University of Calgary and the Ontario Universities’ Application Centre (OUAC): **May 6, 2020** (Note: If the student selects “*Send my printed transcript now,*” the PSI will not be able to receive updates)

PSI Selection Deadline - **Final Transcript Information: July 10, 2020**

- Provided the student selects either “*Send Interim and Final Marks when they become available*” or “*Send Final Marks when they become available*” before this date, the student’s final transcript information will be included when the Ministry sends final Transcript information to all students’ selected PSIs in late July

Guidance Sources

Before making PSI selections for this school year, students are encouraged to [download the poster](#) and view the following YouTube how-to videos (available in English, French and Mandarin):

Additional Notices for Students

- **IMPORTANT:** Canada Post has posted a notice of potential [delivery delays to USA and temporary suspension of international service to some countries](#) due to COVID-19. If you need to deliver a transcript to a post-secondary institution in a country listed for suspension of international mail service, please contact that institution to find an acceptable delivery method.
- For PSIs that only accept paper transcripts, the default selection is “*Send Final Marks when they become available.*”
- Students may make up to 25 PSI selections free of charge within six months after completing their last course. After six months, students will be charged \$10 per transcript, payable on the StudentTranscripts Service.
- Under the heading “Send your transcript to an employer(s), yourself or anyone,” graduating students can also order their own free printed transcript (by mail) as soon as their transcript shows a graduation date at the bottom of the page, or can send an electronic copy via PDF download to anyone they choose.

For students having difficulty accessing StudentTranscripts Service, please use your legal name as it appears on your Unofficial Transcript of Grades. Contact your school counsellor by email if corrections to legal name or birthdate are needed or if your transcript is missing course information.

THE DROWSY CHAPERONE - A MUSICAL PREVIEW FROM HOME: It is slightly coincidental that the musical that Port Moody Secondary's Theatre department was supposed to put up this year "The Drowsy Chaperone" is about a man who sits in an armchair listening to a musical in his apartment to bring joy and vibrancy into his world; the Theatre department aims to bring that same joy and vibrancy into your household, with a preview of the opening number of the musical. We also want to relay the message that we are continuing to rehearse over virtual rehearsals to be ready to put this show up for you whenever we next possibly can - whether that be this school year or next. Until then we hope you enjoy a preview of The Drowsy Chaperone that we all filmed within corners of our own houses. <https://youtu.be/-vFds-PxX2U>

Get to know...

Señorita Linares

Something I am learning about or something I am reading right now is...

dream interpretations and reiki.

My Favourite book is...

'Angela's Ashes' by Frank McCourt.

I have been a teacher for...

6-7 years ... I think?

My worst or my most interesting job was...

Most interesting: background extra for movie and TV shows.

I am most proud of...

being the first in my family to graduate university. My parents came here as refugees, so this was a huge accomplishment for me.

I spend my spare time...

doing Zumba, yoga, listening to podcasts, beach combing and forest walks.

When I was in High School...

I had a really hard time and academics was not my strong suite. But I have fond memories of my school, teachers and friends.

If I was not a teacher I would be:

a Zumba instructor or a writer or perhaps working in some type of healing modality. My maternal grandparents were both traditional indigenous healers and I would like to learn more about that side of my family.

Get to know...

Kay Jasinski

Something I am learning about or something I am reading right now is...

Teams—this is such a steep learning curve, but I think I’m getting better!

My Favourite book is...

As a kid I could read really well, but I hated it. I think the first book I ever enjoyed was John Buchan’s ‘Prester John’.

I have been a teacher for...

very nearly 44 years. The youngest students I have taught are 4 to 5 year-olds in London, and I have also taught adults in night school a bit in my early years.

My worst or my most interesting job was...

Worst job: Saturday job when I was at school in the stock room of a department store—still makes me shiver. Interesting jobs: teaching different grades, different subjects, different places...

I am most proud of...

my daughter and grandkids, without a shadow of a doubt.

I spend my spare time...

reading, doing crafty things and playing scrabble type games. I also try to get out walking every day.

When I was in High School...

I’m not going to lie here, I hated it. I was not a good student, but when I was in the 6th form, I started volunteering in a math class and my math teacher told me I should become a teacher.

If I was not a teacher I would be:

probably doing something in finance as I like numbers.
