Summer Learning Statement: COVID-19:

At this time registration for our summer learning programs (**Elementary Skill Building, Middle Skill Building, Secondary Skill Building and Secondary Remedial**) has been postponed until further notice. We continue to plan for summer learning under the direction of the ministries of Health and Education and will provide an update on our website as soon as more information becomes available. At this time we are unable to confirm that this year's summer learning program will run and should we be able to move ahead with summer learning the program likely be significantly smaller in scope and the delivery format will likely be significantly different.

Get to know...

Mr. Fraser

Something I am learning about or something I am reading right now is...

I'm learning new technologies and also reading 'Climate Wars' by Gwynne Dyer.

My Favourite book is...

So hard to choose. Anything historical.

I have been a teacher for...

18 years.

My worst or my most interesting job was...

I've never had a bad job, they all give us experience.

Most interesting: is my current one!

I am most proud of...

my parents and siblings. We all turned out pretty good. 😊

I spend my spare time...

playing sports, traveling, and enjoying life.

When I was in High School...

I accidentally pulled the fire alarm in a Japanese subway station.

If I was not a teacher I would be:

an Historical Tour Guide.

Get to know...

Mrs. Roberts

Something I am learning about or something I am reading right now is...

Little Fires Everywhere
– Celeste Ng
Seven Fallen Feathers
– Tanya Talaga

My Favourite book is...

Too hard to choose! I have read many over the years.

I have been a teacher for...

14 years.

My worst or my most interesting job was...

Most interesting: investigating bank theft and fraud in the Corporate Security department of CIBC.

I am most proud of...

my family.

I spend my spare time...

Spare time? HA! I'm a teacher!
Seriously though: reading, crocheting, painting, hanging out with my family.

When I was in High School...

I skipped 22 days of English 11 in a row so that I didn't have to study Lord of the Flies.

If I was not a teacher I would be...

a baker or a lawyer.
