Something I am learning about or something I am reading right now is...

'An Economic History of the World Since 1400' by Donald J. Harreld

Next up: the phone book!

Title aside, it is a decent overview of the global economic influences throughout history.

My Favourite book is...

The 'Meet Mr. Mugs' (book series). I clearly remember learning to read with Mr. Mugs books.

It was like unlocking a new world that had all along been hiding right in front of me.

Receiving the badge was an added bonus.

I have been a teacher for...

20 years...and I learn something new every day.

My worst or my most interesting job was...

Most interesting was teaching overseas for 3 years.

Two years in Santo Domingo, Dominican Republic. Followed by one year in Seoul, Korea.

I am most proud of...

Upon completing my bachelor's degree, I packed a backpack, and moved to Australia for a year. There was no Internet like there is now, so planning my life was largely determined by the Lonely Planet travel guidebook.

Wait.... I am most proud of my two daughters. Always say the children. Will they see this?

Final answer: my kids

I spend my spare time...

Watching movies, walking Avery, playing baseball (not this spring), finding my wife's phone and keys for her, and generally spending time with my family.

When I was in High School...

There were only 3 local high schools – Centennial, Port Moody and Poco (Terry Fox). The rivalries were intense.

Having lived in Coquitlam most of my life, I appreciate the opportunity that I have been provided, to be an Administrator at all 3 'original' high schools in SD43. (saving the best for last).

If I was not a teacher I would be...

The host of Carnival Eats!

PMSS GRAD 2020

AFTERGRAD ANNOUNCEMENTS:

AFTERGRAD UPDATE:

PMSS AfterGrad committee want to let parents know an update on our AfterGrad 2020. As you are aware we have been trying to raise money all year to cover the costs to put on an AfterGrad party for our 2020 Graduates. Since September we have filled out grants, approached many businesses, had a cash raffle and a successful Pub Night to help cover these costs. We are so disappointed that we cannot follow through with the plans we had for our Grads big night. Postponing the event was not an option.

We decided as a committee to take the funds and split it evenly amongst our 292 Grads. Each Grad will be receiving a \$50 cheque from the school. We also had 35 prizes already collected for our AfterGrad Party and we randomly drew names for our Grad students to win. We hope you find other ways to celebrate your Graduate in a meaningful way while still following the Health Minister's guidelines. Don't forget to celebrate on **Saturday, June 20th**, at 20:20pm (8:20pm)!

Co-Chair of AfterGrad 2020

Summer Learning Statement: COVID-19:

At this time registration for our summer learning programs (***Elementary Skill Building, Middle Skill Building, Secondary Skill Building and Secondary Remedial***) has been postponed until further notice. We continue to plan for summer learning under the direction of the ministries of Health and Education and will provide an update on our website as soon as more information becomes available. At this time we are unable to confirm that this year's summer learning program will run and should we be able to move ahead with summer learning the program likely be significantly smaller in scope and the delivery format will likely be significantly different.
