The GSA Club wants to acknowledge the importance of Pride Month for the LGBTQIA2S+ community in our school. We want to remind PMSS staff and students that this is a time to listen, to learn and to grow; a time to give space to queer voices and to understand the struggles we continue to face. This June is a celebration and a continuous fight for everyone's right to love and live freely regardless of sexual orientation, gender, gender expression, sex, and ethnic background. We will not tolerate discrimination and ignorance of any kind but instead, help educate any individuals in hope they grow along without community. Happy pride Month Port Moody Secondary.
