This Week in Review:

Hello Everyone,

We had a great Halloween celebration with our costume parade in the morning, and Halloween activities organized by teachers in the afternoon. Thank you to all the parents who came out for the Halloween parade and to applaud our students. Tuesday we relaxed with pyjama day, and many students wore their comfy slippers!

The weather is changing quickly, and it feels like summer has only just ended, fall has lasted two weeks, and now we are looking at winter coming! Snow is in the forecast, and so we need to start preparing for changing conditions. Please see the information below on school and district response to winter weather.

Our November Parent Advisory Council meeting is Wednesday, in person in the Ranch Park Library. There is also a remote link on the next page for those who need it. Please also be reminded to make sure that you complete the KEV information form so PAC can reach out directly to keep you informed of community building events and great ways to support our students.

On Thursday we will have our **Remembrance Day Ceremony** in the Gym at 11:00. **We can accommodate up to 100 parents at the ceremony.** If you would like to attend you must first [complete this very short survey](#). Up to two individuals per family can attend.

Today students enjoyed seeing the talents of our visiting Hoop Dancer Sebastian. A number of students learned how to make stars and wings with the hoops.

Ordering information for the November 18th hot lunch is attached.

I hope you all have a great weekend.

Winter Weather Ahead!

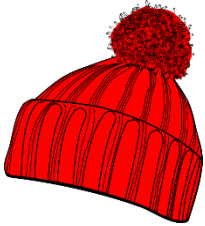

Schools are not routinely closed due to snow or other inclement weather conditions. All schools in School District 43 (Coquitlam) will remain OPEN, if possible, during winter weather, including snowfall.

However, on occasion, a district-wide or partial-district closure is required due to extreme weather. Partial-district closures affecting individual schools may occur due to the very different geography within our school district. If there is a partial-district closure affected schools will be identified.

The decision on schools remaining open or needing to be closed, because of extreme weather, occurs **before 6:30 a.m.** so that families can plan and make alternate arrangements.

Any district-wide or partial-district closure will be decided and communicated by 6:30 a.m. via the School District 43 website www.sd43.bc.ca and CKNW AM 980 radio, CKWX 1130 radio and CBC (690) radio.

Extreme weather can also impact transit. Transit schedules may face significant changes or cancellations due to the weather conditions. Parents seeking information on transit schedules need to consult the Translink website: <http://www.translink.ca/>

We encourage families to continuously check the School District 43 website for updates and changes: www.sd43.bc.ca

While the District tries to make the best decision with the information available, the weather does change quickly. Therefore, when schools remain open, decisions to stay at home during challenging weather conditions should be made by each family.
