This Week in Review:

Hello Everyone,

Please be reminded that the 12 Days of Giving continues until December 15th, and Division 4 students are actually singing on our daily announcements as a reminder! Please send in non-perishable foods, unwrapped new toys or a money donation. The Share society will be coming on Dec 15th to pick up. Cash can be donated through School Cash Online.

Pink Shirt Day T-shirts are available for a short time. If you would like to order one please see the KEV notice that went out today.

Registration and Cross catchment information is available for families. Please see the information below for more details.

Thank you to PAC for the many hours involved in putting together our fabulous Santa Breakfast! It was wonderful to have everyone able to come in person to enjoy pancakes, time together, and of course, Santa photos!

I have arranged with the RCMP for speed enforcement on the stretch of Spuraway that runs in front of Ranch Park. These will be on random days over the next several weeks. This is intended to impact driving behaviour of those who regularly pass this way, and not Ranch Park families; however, I want to make you aware as enforcement will be impartial.

The Ranch Park Christmas Concert Tickets went home yesterday in your child's planner. Please check the planner to make sure you have received them.

Please check messages from your teacher regarding gingerbread houses. All children must bring their own candy and a small packet of icing for decorating their houses.

I hope you all have a great weekend.

Student Goal of the Week:

Core Competency: Social Responsibility

Facet: Contributing to community and caring for the environment

Goal Statement: “I can participate in classroom and group activities to improve the classroom school, community, or natural world.”

Winter Weather Ahead!

Schools are not routinely closed due to snow or other inclement weather conditions. All schools in School District 43 (Coquitlam) will remain OPEN, if possible, during winter weather, including snowfall.

However, on occasion, a district-wide or partial-district closure is required due to extreme weather. Partial-district closures affecting individual schools may occur due to the very different geography within our school district. If there is a partial-district closure affected schools will be identified.

The decision on schools remaining open or needing to be closed, because of extreme weather, occurs **before 6:30 a.m.** so that families can plan and make alternate arrangements.

Any district-wide or partial-district closure will be decided and communicated by 6:30 a.m. via the School District 43 website www.sd43.bc.ca and CKNW AM 980 radio, CKWX 1130 radio and CBC (690) radio.

Extreme weather can also impact transit. Transit schedules may face significant changes or cancellations due to the weather conditions. Parents seeking information on transit schedules need to consult the Translink website: <http://www.translink.ca/>

We encourage families to continuously check the School District 43 website for updates and changes: www.sd43.bc.ca

While the District tries to make the best decision with the information available, the weather does change quickly. Therefore, when schools remain open, decisions to stay at home during challenging weather conditions should be made by each family.

WHEN CAN MY CHILD START KINDERGARTEN?

WHEN SHOULD I REGISTER MY CHILD?

Applications for Programs of Choice are held before Kindergarten Registration. Please see below.

Kindergarten Registration will be held between Tuesday, January 31, 2023 and Thursday, February 2, 2023 using the online forms on your catchment school's website.

Applications for Programs of Choice - Montessori, Mandarin Bilingual, Reggio and French Immersion will be held on January 5, 2023 to January 11, 2023.

For Program of Choice application process, deadlines and online presentations, visit www.sd43.bc.ca/programs.

HOW DO I KNOW MY CHILD'S CATCHMENT SCHOOL?

All students must be registered for Kindergarten at their catchment school. Catchment is based on permanent home address.

To determine your catchment school, use the [School Locator](#) on our website.

HOW DO I APPLY FOR CROSS CATCHMENT FOR MY CHILD?

All Kindergarten students must be registered for Kindergarten at their catchment school before completing a Cross Catchment application. Applications for cross catchment transfers will be accepted between Friday, February 3, 2023 at 9:00 am to Wednesday, February 8, 2023 to 4:00 pm.

Therefore, Kindergarten parents do not need to fill out a Cross Catchment application verifying sibling status. The exception to this is for a Program of Choice. Parents must complete the online Kindergarten Programs of Choice application for siblings to attend the same program.

Kindergarten children with siblings in a Program of Choice must still apply online.

CAN I USE MY CHILDCARE FACILITY ADDRESS TO DETERMINE MY CHILD'S CATCHMENT SCHOOL?

Please contact the International Education Department at 604-936-5769, or visit www.internationaleled.com. Bring along proof of citizenship for parent and student, proof of residency, and proof of guardianship (if applicable).

Cross Catchment Process (All Grades)

Parents sometimes wish for their children to attend a school that is not their catchment school. In such cases, a Cross Catchment application is required after registering at their catchment school. School District 43 uses a random draw process for Cross Catchment applications (using in-district priority, then out-of-district).

If enrolment projections show that space is available, Cross Catchment transfer applications will be accepted in accordance with the following priorities: 1) sibling of a child who will be in attendance at the Cross Catchment school in the following year; 2) a child residing within the SD43 residential boundaries (could include private or homeschool) and 3) non-school district resident child.

The [School Locator](#) tool on our website provides a student's designated catchment area school.

All Kindergarten students must be registered for Kindergarten at their catchment school between Tuesday, January 31, 2023 and Thursday, February 2, 2023 using the online form on their catchment school website. Cross Catchment applications may only be completed after registration at catchment schools.

Grades 1-12 students, who have a sibling at a school outside their catchment, will be accepted at the sibling's school (provided the sibling will be in attendance when the student begins at the out-of-catchment school). Parents still need to complete the Cross Catchment application confirming sibling status.

Kindergarten students who have a sibling at a school outside their catchment will be accepted at the sibling's school (provided the sibling will be in attendance when the student begins at the out-of-catchment school) and are requested to register for their sibling's school between Tuesday, January 31, 2023 and Thursday, February 2, 2023. Therefore, Kindergarten parents do not need to fill out a Cross Catchment application verifying sibling status. The exception to this is for a Program of Choice.
