**Cross Catchment Application and Kindergarten Registration for the 2023-2024 school year starting in September 2023 occurs soon. Read the school and program registration information below for more details.**

### Kindergarten Registration for September 2023

#### WHEN CAN MY CHILD START KINDERGARTEN?

Children who are five years old on or before December 31, 2023 may enter school in September 2023. You may defer your child's enrolment until September 2024.

#### WHEN SHOULD I REGISTER MY CHILD?

Applications for Programs of Choice are held before Kindergarten Registration. Please see below.

Kindergarten Registration will be held between Tuesday, January 31, 2023 and Thursday, February 2, 2023 using the online forms on your catchment school's website.

#### INTERESTED IN APPLYING YOUR CHILD IN A PROGRAM OF CHOICE?

Applications for Programs of Choice - Montessori, Mandarin Bilingual, Reggio and French Immersion will be held on January 5, 2023 to January 11, 2023.

For Program of Choice application process, deadlines and online presentations, visit [www.sd43.bc.ca/programs](http://www.sd43.bc.ca/programs).

#### HOW DO I KNOW MY CHILD'S CATCHMENT SCHOOL?

All students must be registered for Kindergarten at their catchment school. Catchment is based on permanent home address.

To determine your catchment school, use the [School Locator](#) on our website.

#### HOW DO I APPLY FOR CROSS CATCHMENT FOR MY CHILD?

All Kindergarten students must be registered for Kindergarten at their catchment school before completing a Cross Catchment application. Applications for cross catchment transfers will be accepted between Friday, February 3, 2023 at 9:00 am to Wednesday, February 8, 2023 to 4:00 pm.

Kindergarten students who have a sibling at a school outside their catchment will be accepted at the sibling's school (provided the sibling will still be in attendance the following school year) and are requested to register at their sibling's school between Tuesday, January 31, 2023 and Thursday, February 2, 2023. Therefore, Kindergarten parents do not need to fill out a Cross Catchment application verifying sibling status. The exception to this is for a Program of Choice. Parents must complete the online Kindergarten Programs of Choice application for siblings to attend the same program.

Kindergarten children with siblings in a Program of Choice must still apply online.

#### CAN I USE MY CHILDCARE FACILITY ADDRESS TO DETERMINE MY CHILD'S CATCHMENT SCHOOL?

No. According to the School Act, enrolment can only be based on the home address.

#### WHAT DOCUMENTS ARE REQUIRED FOR REGISTERING MY CHILD?

View the "Funding Eligibility Checklist" for documentation required for registration at [www.sd43.bc.ca/kindergartenregistration](http://www.sd43.bc.ca/kindergartenregistration)

#### ARE YOU A NON-RESIDENT OF CANADA?

Please contact the International Education Department at 604-936-5769, or visit [www.internationaleled.com](http://www.internationaleled.com). Bring along proof of citizenship for parent and student, proof of residency, and proof of guardianship (if applicable).

### Cross Catchment Process (All Grades)

Parents sometimes wish for their children to attend a school that is not their catchment school. In such cases, a Cross Catchment application is required after registering at their catchment school. School District 43 uses a random draw process for Cross Catchment applications (using in-district priority, then out-of-district).

If enrolment projections show that space is available, Cross Catchment transfer applications will be accepted in accordance with the following priorities: 1) sibling of a child who will be in attendance at the Cross Catchment school in the following year; 2) a child residing within the SD43 residential boundaries (could include private or homeschool) and 3) non-school district resident child.

The [School Locator](#) tool on our website provides a student's designated catchment area school.

All Kindergarten students must be registered for Kindergarten at their catchment school between Tuesday, January 31, 2023 and Thursday, February 2, 2023 using the online form on their catchment school website. Cross Catchment applications may only be completed after registration at catchment schools.

Grades 1-12 students, who have a sibling at a school outside their catchment, will be accepted at the sibling's school (provided the sibling will be in attendance when the student begins at the out-of-catchment school). Parents still need to complete the Cross Catchment application confirming sibling status.

Kindergarten students who have a sibling at a school outside their catchment will be accepted at the sibling's school (provided the sibling will be in attendance when the student begins at the out-of-catchment school) and are requested to register for their sibling's school between Tuesday, January 31, 2023 and Thursday, February 2, 2023. Therefore, Kindergarten parents do not need to fill out a Cross Catchment application verifying sibling status. The exception to this is for a Program of Choice. Parents must complete the online Kindergarten Programs of Choice application for siblings to attend the same program.
