This Week in Review:

Hello everyone,

It was wonderful to see so many parents in our classrooms for the student led conferences this past Wednesday. I observed many conversations with students deeply engaged in sharing their learning and their daily life experience at school with you. I hope you enjoyed it and found it informing. This is the first time we have been able to hold our student led conferences in person since February 2020!

This coming Friday we will be joined by Julie from the Saleema Noon body science program. Julie's presentation to parents Thursday night was engaging and clear. This morning I shared with you in a separate email the details of the program and the contact information for Julie, if you have questions. Please refer to that email for more information.

Please note that the CCAT (Canadian Cognitive Abilities Test) for our Grade 3 students is rescheduled for the following week.

Cross catchment applications open today. If you know a family who lives outside Ranch Park that is hoping to attend, please remind them that the deadline for application is Wednesday February 8th. Please see [this link for information](#).

I hope you all have a great weekend.

All students must be registered for Kindergarten at their catchment school. Catchment is based on permanent home address.

To determine your catchment school, use the [School Locator](#) on our website.

HOW DO I APPLY FOR CROSS CATCHMENT FOR MY CHILD?

All Kindergarten students must be registered for Kindergarten at their catchment school before completing a Cross Catchment application. Applications for cross catchment transfers will be accepted between Friday, February 3, 2023 at 9:00 am to Wednesday, February 8, 2023 to 4:00 pm.

Kindergarten children with siblings in a Program of Choice must still apply online.

Please contact the International Education Department at 604-936-5769, or visit www.internationaleled.com. Bring along proof of citizenship for parent and student, proof of residency, and proof of guardianship (if applicable).

Cross Catchment Process (All Grades)

Parents sometimes wish for their children to attend a school that is not their catchment school. In such cases, a Cross Catchment application is required after registering at their catchment school. School District 43 uses a random draw process for Cross Catchment applications (using in-district priority, then out-of-district).

If enrolment projections show that space is available, Cross Catchment transfer applications will be accepted in accordance with the following priorities: 1) sibling of a child who will be in attendance at the Cross Catchment school in the following year; 2) a child residing within the SD43 residential boundaries (could include private or homeschool) and 3) non-school district resident child.

The [School Locator](#) tool on our website provides a student's designated catchment area school.

All Kindergarten students must be registered for Kindergarten at their catchment school between Tuesday, January 31, 2023 and Thursday, February 2, 2023 using the online form on their catchment school website. Cross Catchment applications may only be completed after registration at catchment schools.

Grades 1-12 students, who have a sibling at a school outside their catchment, will be accepted at the sibling's school (provided the sibling will be in attendance when the student begins at the out-of-catchment school). Parents still need to complete the Cross Catchment application confirming sibling status.

Kindergarten students who have a sibling at a school outside their catchment will be accepted at the sibling's school (provided the sibling will be in attendance when the student begins at the out-of-catchment school) and are requested to register for their sibling's school between Tuesday, January 31, 2023 and Thursday, February 2, 2023. Therefore, Kindergarten parents do not need to fill out a Cross Catchment application verifying sibling status. The exception to this is for a Program of Choice.
