

PAC Minutes

1. Welcome -
2. Executive Reports
 - a. Chair: Jen Bradley (Jensen)-
 - send minutes to Anita to add to website
 - checking with other schools and what PACs are doing/ not alot we are able to do with the safety protocols in place/ fundraisers are successful
 - b. Vice Chair: Ashley Edgington
 - discuss restarting Walk & Wheel Wednesday / Anita give students a slip and hand into teachers to record
 - Bike/ Wheel/ Scooter to School week- end of May or beginning of June/ lock bikes along back fence or Bike lock stations- PAC has a scooter to give as a prize!
 - A Week of activities to encourage sustainability - litterless lunch, eco-friendly products fundraiser, connection to Earth Day, Spirit Days, Green Day Week, Teachers can connect ideas in classes
 - Have kids help with garbage duty in zones/ use tongs
 - \$300 Bottle Drive
 - c. Treasurer: Katherine Mo
 - Christmas Hampers- no money out of PAC account, used money donated and cash online
 - Teacher Discretionary budget \$7700/ not many requests for reimbursements/ Anita will send staff a reminder to submit receipts
 - Pizza fundraiser- \$600
 - d. DPAC: Desiree Lim- slideshow
 - Info session tomorrow Tuesday March 9th @ 4:30 Family Smart- Substance Use
3. Fundraising: Tanya Adams
 - Purdy's chocolate fundraiser ends tonight
 - Another Me & Eds pizza fundraiser after spring break/ easy and popular
 - Look for other local restaurants that will have same deal for fundraiser
4. Principal: Anita Young
 - Not alot of litter out on the school grounds- kids take garbage home

- Challenging week with exposure letters

- email to highlight what school is doing to keep school safe

- attendance dropped last week but slowly coming up this week

- community support

- students are happy and positive

- the LAST exposure was NOT a member of our community**

- Fraser Health would notify us if concern around transmission within cohorts- but they have NOT said that- no cluster or transmission/ no further safety protocols added by FH**

- Spring weather- teachers bringing lessons outdoors

- will continue to do all we need to do to keep kids at school

- Report Cards- out next week WEDNESDAY / reporting more challenging this year, more time consuming, everything taking a lot longer, gradual transition students requires full reporting this term

- parents can still contact teachers if they have questions before Spring Break

- Multi- Year Technology Plan-** PAC purchased 35 ipads 5 years ago- school bought 30

- what will meet the needs for staff moving forward ?

- some support from district / subsidy

- when turn in an old one \$100 each (18 to replace this year)

- issue is with IPADs- Ipad conversion difficulty in district/ apps

- district suggests eliminate all 32 GB ipads-> 128 GB for \$160 (order through district with discount)

- DISTRICT WIDE conversion

- how many ipads school wants? How many laptops?

- Ipad cart can be signed out for ½ day per teacher / have special disinfectant wipes for cleaning before transferred to next class

- mobile lab format - more flexibility, used all the time

- Can PAC support school with ipad/computer updates? Current ones will not be able to use for next year/ need upgraded

- survey Teachers to ask what will help meet their needs in terms of tech (ipad/laptop)

- waiting on \$ amount / add this onto budget - yearly contribution

- 65 ipads/ 35 need replacing

-PAC approval and info in APRIL

- Starting Jogging Club in April / creating a plan and schedule for classes

- Track & Field- no district meets

- Track Attack- integrate into PE class/ stations with learning group / building skills but no stats required for competition

- A lot of positives happening at the school during this time: less garbage, less washroom mess, students following all protocols, less balls on the roof of the school, many sinks in the school for easy and fast transition of hand washing, outdoor classroom doors, students outside rain or shine...

5. New Business
