### Welcome Back Roy Stibbs Community!!

Welcome back to Roy Stibbs and the start of what we know will be a positive and rewarding school experience for you and your child! We are looking forward to seeing you and plans are already underway for a successful, happy year.

#### Important Notes

##### **First Day of School**

In September on the first day of school, Tuesday, September 6<sup>th</sup>, your child will come to the gym and then go to last year's classroom (new students to the library). The students will remain at school for 45 minutes, from 8:45 a.m. until 9:30 a.m. The PAC will have coffee and treats for you to enjoy as you wait for your children and catch up with other families.

##### **First Week of School – for grade 1-5**

During the first week of school (September 6<sup>th</sup> – 9<sup>th</sup>), while we confirm registrations and class assignments, your child will be grouped in like grade groupings. The teachers are busy organizing exciting learning opportunities revolving around a social responsibility theme. We hope to move into our new classes early in the second week of school.

##### **School Supplies**

Children do not need to bring their school supplies until the second week of classes when they are with their new teacher. For the first week, they can bring a labeled Ziploc bag with some essentials such as a pencil, an eraser, a pair of scissors, coloring pens and glue.

If you have ordered school supplies from Creative Children, your child's supplies will arrive at the beginning of the school year. The supplies will be given to the students in the first week of school. Their teachers will either send the supplies home to be labeled, or they will keep the supplies at school and assist your children to label them.

**We hope you had a wonderful summer and we look forward to working with you to provide your child a safe, happy and productive school experience.**

Sincerely,

Tricia Tipper  
Principal
