Dear Parents,

My name is Tanner B. I am the Principal of Walton Elementary School for today. I am in Grade 3.

Today, I put salt on the playground. I visited each class to take pictures of the teachers for the Winter Concert. I went on supervision and also played outside.

I also spent time in my office, playing on my iPad.

At 12:15, I am going to eat pizza lunch with my friend Lucas and Mr. Mah.

Just remember that Litterless Lunch starts Monday.

Sincerely,

Principal Tanner B.
